# Guest Arrival

## Reception

# Guest Rooms

Safety & sanitisation measures for all rooms & suites

# Guest Rooms

## Safety & sanitisation measures for all rooms & suites

### Guest room disinfection

Use of industry-leading cleaning and disinfecting protocols to clean guest rooms.

Each room is thoroughly cleaned and disinfected with a hospital-grade aerial surface disinfection machine upon every room change, as well as with Ecolab Oasis Premium 20 solution and ECOLAB-certified cleaning equipment

### Deep cleaning of guest rooms and suites

Daily deep cleaning of rooms and suites-high contact areas such as door handles, switches, furniture, bathroom fittings and room accessories fully sanitised

### Water testing and A/C cleaning & disinfection

Water and air quality testing carried out in rooms  
Air ducts, filters and grills disinfected upon every room change  
The usage of A/C within rooms at guests' discretion

### Personal safety kit

A PPE safety kit-including hand sanitisers, disinfectant wipes, masks - available in all guest rooms

# Additional Measures

## Disinfection of in-resort spaces

All indoor spaces thoroughly cleaned with a disinfectant using 1% Eco-Bac Classic from ECOLAB

## Disinfection of all surfaces

All surfaces thoroughly disinfected on a regular basis  
Metallic surfaces and items-such as door handles, keys and security locks-disinfected with 70% alcohol, where bleach not appropriate

## Compliance with Health Authorities' guidelines & additional protocol implementation

Compliance with WHO, Government Health Authorities and TUV Austria, with Covid Shield certification by independent third party body (TUV Austria)

## Stringent water testing

Testing of common area water samples on a monthly basis by a professional partner to ensure strictest hygiene standards are maintained

## Elevators safety guidelines

Max 2 guests permitted in elevators or a family consisting of 2 adults and children  
Buttons inside and outside the elevators sanitised every 2 hours  
Hand sanitisers available outside elevators

# Our Partners

As Greece's leading health service provider, Euroclinic provides comprehensive specialized care based on the highest international clinical standards. With highly qualified medical staff, Euroclinic is recognized among the top private healthcare groups in Europe and is certified by TUV Austria for its Quality Management Systems, flourishing research and specialty units.

Euroclinic offers expert health services based on core values of personalization & genuine care.

TÜV AUSTRIA Hellas provides independent third-party services in the form of technical audits, inspections, certifications and transfer of know-how in a large number of specialised sectors of economic activity.

The Covid Shield Certificate verifies that an appropriate mechanism, adequate resources and suitable infrastructure are always in place and adjusted to current epidemiological data and guidance, to prevent the spread of the coronavirus through reliable science.

Ecolab is the global leader in water, hygiene and energy technologies and services that protect people and vital resources.

All disinfection & cleaning services to be completed with cleaning products and protocols that meet ECOLAB guidelines.
