OLIVIA

AN ELEGANT NEW LOOK FOR 2024

IKOS OLIVIA

A WORLD OF ELEVATED CHARM

A serene, beachside retreat of 22 verdant acres. Hundred year old olive trees, fragrant firs and immaculate lawns. A stunning sandy beach on the Gulf of Toroneos. Luxurious elegance. And our hallmark all-inclusive experience.

And now the perfection of Ikos Olivia is all set to reach new heights. We're excited to announce that for the 2024 season guests will discover a property transformed into an even more captivating, elegant and all-round magnificent offering than ever.

IKOS OLIVIA

2024

MORE STYLISH...

After passing the hotel entrance, guests will be welcomed by a tranquil new garden, with delicately scented plants and trees immediately evoking a feeling of relaxation, as well as excitement – the trademark of an Ikos Resorts holiday.

The redesigned lobby and reception area will feature a calming colour palette, a harmonious blend that will encourage guests to unwind the minute they arrive.

MORE INVITING...

Taking guests on an unforgettable gastronomic journey from Asia to the Mediterranean, Ikos Olivia's five restaurants have always been a highlight of every stay. For the 2024 season, this journey will be more unforgettable as each one of these centrepiece restaurants will be renovated, refreshed and raring to go with exhilarating new menus.

They will also be joined by an exciting new addition to the portfolio, as a new casual dining restaurant opens its doors with an exciting selection of dishes and wines to surprise and delight guests. While the newly renovated Helios Bar promises to become a 'go to' destination as it makes even more of its beautiful setting next to the riverlet gently making its way through the resort. While the magnificent Deluxe area, the sunset deck and bar will all benefit from a newly created contemporary ambience.

AND MORE TO LOOK FORWARD TO...

Ikos Olivia phase 2 launches in 2025 as we open our door with all rooms and suites fully renovated and newly styled.
