

THE NEW GOLDEN MILE
EXPERIENCE

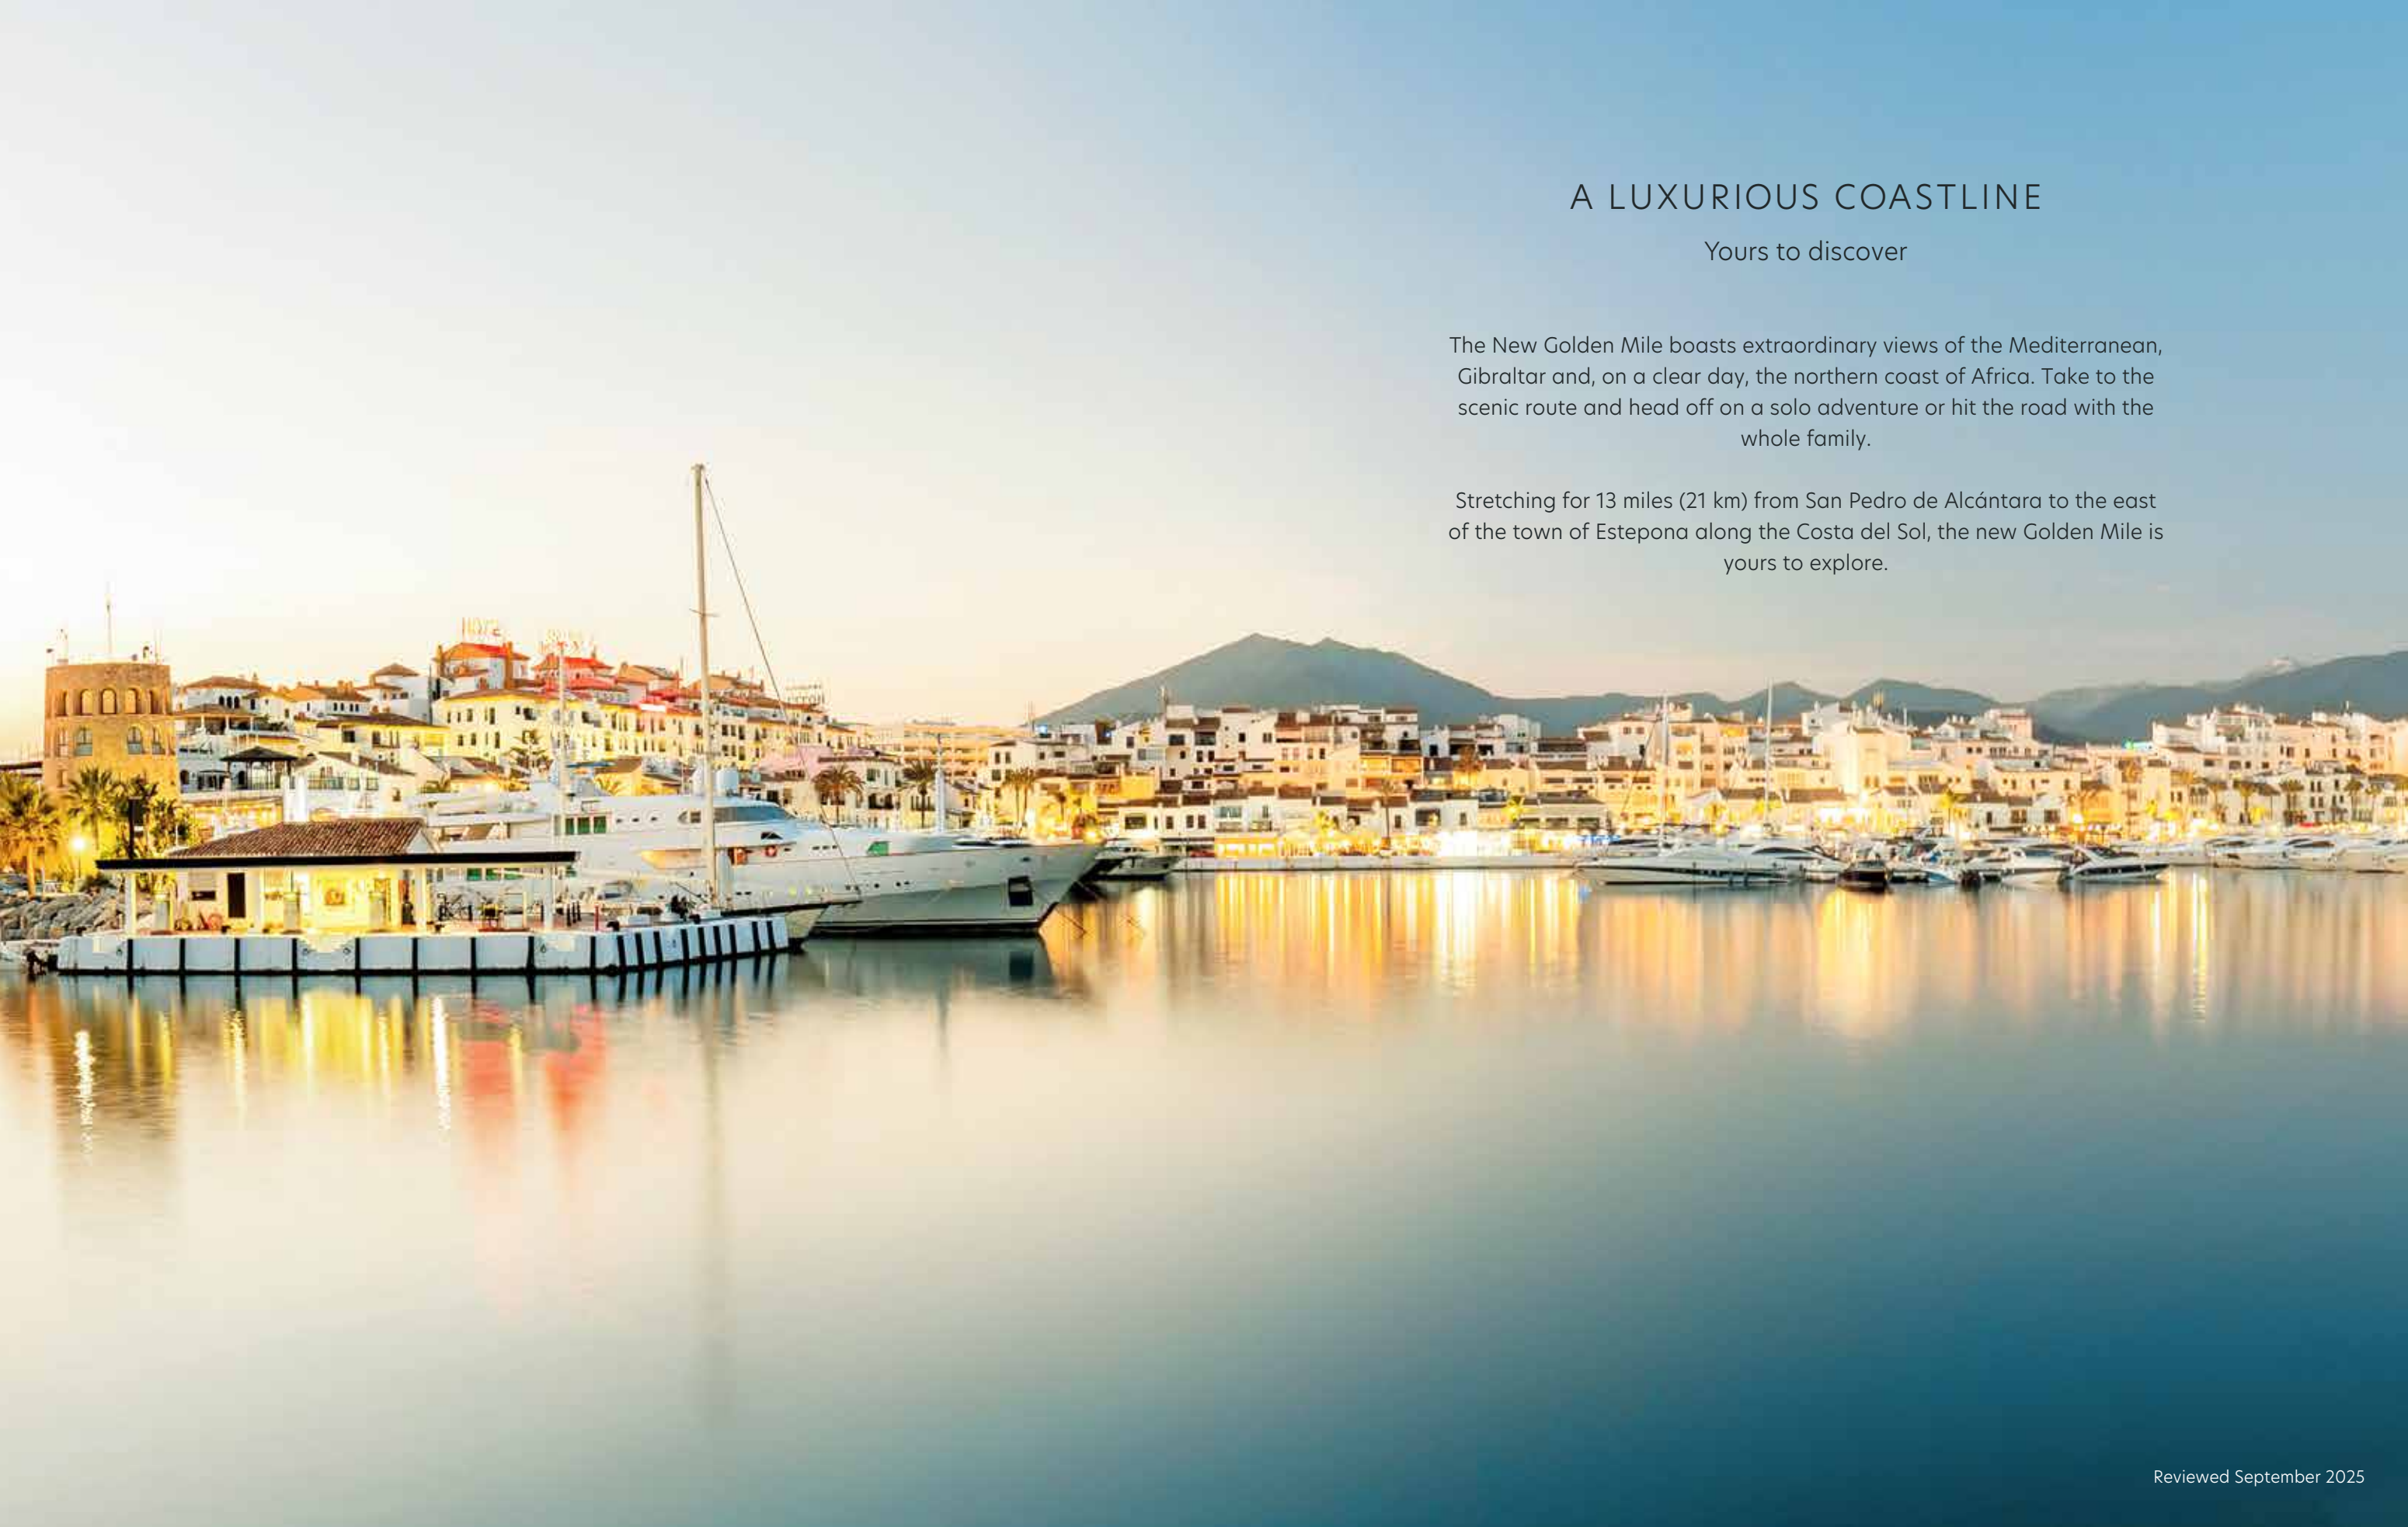

ikos[™]
ANDALUSIA

The New Golden Mile, or Nueva Milla de Oro in Spanish, is fast-becoming one of the most talked-about developments in Spain.

With an inspiring combination of luscious green parks and the coastal highway, there is plenty to explore along this route, including shopping boutiques, spas, fine dining and popular golfing resorts, all with stunning views across the coast.

Along this prime beachfront location you'll find the finest frontline beach apartments and penthouses west of Puerto Banús.

A wide-angle photograph of a coastal town at dusk. The town's buildings, with warm interior lights, are reflected in the calm water. Several boats are docked in the harbor. In the background, a large mountain rises against a clear sky. The overall mood is peaceful and luxurious.

A LUXURIOUS COASTLINE

Yours to discover

The New Golden Mile boasts extraordinary views of the Mediterranean, Gibraltar and, on a clear day, the northern coast of Africa. Take to the scenic route and head off on a solo adventure or hit the road with the whole family.

Stretching for 13 miles (21 km) from San Pedro de Alcántara to the east of the town of Estepona along the Costa del Sol, the new Golden Mile is yours to explore.

CHARMING CORNERS

The old town of Estepona is one of the most beautiful in Andalusia, and is famed for its traditional charm. Also known as the “The Garden of the Costa del Sol”, Estepona boasts quiet squares, white houses, and streets decorated with overflowing flowerpots. Follow this route to discover the most beautiful and charming corners of the city.

THE POETRY ROUTE

The streets of the historic centre are lined with famous poems from across the world. Take a stroll through the old town and enjoy the art form in many languages, as well as art, sculptures and murals by famed international artists which adorn the area.

ROUTE OF THE MURALS

Known for rich artistic culture & history, Estepona is home to well known street art by artists of national and international importance. Take the Murals Route and meander through the town as you spot the oversized works of art decorating the sides of buildings.
